100's Saved in Davao City, Philippines 1

What you can do/Current Physical Needs 1

God Working in Turkey 2

Focus on an orphan 2

Kingdom of the Thunder Dragon 2

What you can do?

Pray for Johndy, Leizel, and Girlie Mae as they minister & train new leaders to do campus ministry on the H.S and college campuses in the Philippines.

Ask God if he wants you to be more involved in this ministry and if you feel he wants you to be, please contact us and tell us in what capacity you believe God wants you to help..

Sponsor one of these precious children staying at Good Shepherd Ministries. **Only \$5—\$15 a month can make a monumental difference in the life of a child.** Make your check or MO out to CDI or Mike or Londa Furman. Please put sponsorship in the memo line. We will send you a sponsorship form. Hayagreev has asked that Mike and I sent one check only each month with all sponsorship and other gifts combined listing what amount is for which child or widow, so he only has to pay the \$3 check cashing fee once a month, since it is charged for each check cashed. Thanks so very much! May God bless you!

Current Needs

Bibles are needed in several languages—12 KJV English for Uganda, 37 Telugu Bibles (\$3 ea.) for India, 30 Urdu Bibles (\$6 ea.) for Pakistanis,

HUNDREDS of Students have accepted Jesus through Campus Ministries in the Philippines!!

***At the "How to Study seminar" at the University of Mindanao. 300+ students exposed to the Gospel —90% of those prayed to receive Christ as their Personal Lord and Savior, and at least 20% have committed to join a care group or Bible study, according to Johndy Lumayog, one of the young missionaries we have agreed to support as God supplies.

***At one "How to Study Seminar" at the University of South-eastern Philippines [USEP], there were 700 + freshman students exposed to the Gospel and more than 500 indicated they prayed to receive the Lord Jesus Christ as their Lord and Savior! God really works in mighty ways." says Leizel Dahuyla, another of our young missionaries there.

***Praise God for a bountiful harvest last Wednesday July 28! We had our "How to Study Seminar" in the USEP. It is one of our evangelistic tools! 950 were exposed to the gospel. 434 indicate that they prayed to receive Christ. 190 commit themselves in a care group. We saturate all the freshmen in all colleges in USEP. Truly, God is working in this university. We are all grateful to Him for enabling us to see great harvest! Reported Girlie Mae Narciso, another of the young missionaries we support.

Johndy Lumayog, D.C. Philippines

We praise God for the opportunity to have a vital part in the ministry He is doing through Johndy, Leizel, and Girlie Mae and many others in the Philippines.

We are believing God to enable us through our brothers and sisters in the Phils to open several much needed orphanages, schools, literacy centers, and life aid ministries throughout the Philippines Islands soon. Alex, Gypsy, Ken, Frivie & Dorothy, Marissa, Pastor Vic, and Napoleon & Virgie are all excited about this & the bountiful Harvest that will be brought in.

God is doing great things in Nepal, "the only Hindu Kingdom, bound with the powers of Devil, But Praise God that He is breaking the strongholds of Satan and establishing His Kingdom here." according to Pastor Chandra, Dhan & Phebe and other missionaries we are privileged to help in Nepal..

God has opened wide the doors for us to make a big impact in the country of Nepal, which

borders India to the North. It is one of satan's strongholds, but the walls of

evil are coming down in Jesus' Name. In spite of the fact that the Maoist Terrorists have blocked off all access in and out of Kathmandu valley, many Nepalese are coming to know Jesus as their personal Savior and friend. Please pray much for our brothers and sisters who are ministering there.

Pictures: Our missionaries in action: Top:—Worship service at Pastor Chandra's church.

A ministry trip to the mountain village. A local Pastor is pulling me up on the way. The trail is very difficult. There was a big stone. . .

God is doing an awesome work in Bodrum, Turkey!

Bodrum is the city of Ephesus referenced in the Bible. God put it in the hearts of Engin & Nurcan to start the only church in their city. It is growing steadily by God's grace. Many are coming to know Jesus as their personal Savior and getting baptized in water. Engin, himself, came to know Jesus by reading a New Testament just to see what it said. Now he and his wife, Nurcan, have established Turkish Grace

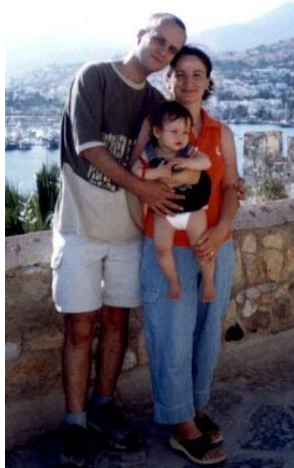

Missions which includes evangelism, Bible Studies, and educational scholarships. Girls

are helped most in this area because they are normally denied an education in their culture.) We'll introduce you to one or more of the girls which we would like to help soon, so if any of you feel led to help, you can know who you would be helping and why they are in need.

On the left is a recent baptism of newest converts.

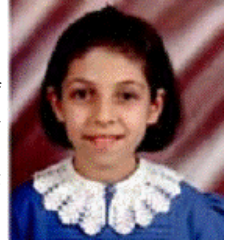

On the right is a picture of Engin and Nurcan and their precious baby Elcin Karen

ACELYA INCI

needs an education scholarship

Acelya is 11 years old. Acelya wants to go to school but because of her mother's poor financial situation and her father's death last year, she cannot provide the funds for the school requirements. Acelya and her mother Sonay are not Christians, but together we, as Christians can show them God's love and provide her with a school scholarship.

One year's schooling for Acelya costs approximately \$200 (£110) which includes all uniform, sports kit and stationary requirements. Acelya's birthday is on the 20th April. Please pray that Jesus will touch Acelya's and Sonay's hearts.

This orphan from Good Shepherd Ministries needs a Sponsor

Ravi Babu is a 12 year old boy. He had an elder brother who cared for him from his childhood, but suddenly his brother died in an auto accident. A distant relative of Ravi Babu knew that Hayagreev cares for orphans, so he brought Ravi to Hayagreev, demanding 10,000 rupees because he saw it as a way to make some big money. Hayagreev felt something wasn't right with this man, so he told him to come back in two days for an answer, during which time Hayagreev investigated the background of this relative and what he was really up to. He found out that this man was a very evil and dishonest man who had already taken the car from the accident and sold the parts from it, and then he wanted to sell Ravi, who he didn't own. When the man came back in 2 days, Hayagreev made it known to him that he knew the scheme he was trying to pull and that he already had gotten lots of money and Ravi was not to be sold. So the relative left Ravi Babu with Hayagreev and said he'd come every 2-3 months see him, but Hayagreev has never seen the man again and it's been years now. So, God gave Ravi Babu a home where others really love him and he can grow in Jesus' love. Ravi Babu is praying for a sponsor to love and care for him.

God's Word is shining in Bhutan,

the Kingdom of the "Thunder Dragon"

High in the Himalayas lies the virtually unknown country of Bhutan. The country has been sealed from the gospel for many years and is still not opened. The people of Bhutan are hunger and thirsty for the gospel, however the strong religion background does not encourage them to come to Christ

The Christians in Bhutan are facing some of the strongest opposition and persecution they have ever experienced. We praise God for putting us in contact with Brother Mohan, a native Bhutanese, & founder of Jesus4You Ministries, takes teams of youth to the most remote areas to witness, as well as pastoring in a city. He and those on the team know they are risking their lives and severe persecution to let their LIGHTS shine, yet they are all willing to give it all for Jesus. What a wonderful example to us who have life so easy.

Chab Chab (below) & her brothers need sponsors

This is Nelle Russelle Dolor, (called Chab Chab), a 5 yr. old girl from the Philippines. She's intelligent, playful, friendly,

energetic, lovely, beautiful, loving and caring. She loves to play, write and draw. She loves to eat Spaghetti, cake, & ice cream. She's in kindergarten & really enjoys learning. She has a great mom & dad & 2 brothers. Her father is an experienced electrical contractor, but is paid so little for his 60+ hours of work a week that the family often goes without meals.
