We want to say a special "Thank You" to those who are faithful sponsors of children at GSH in India and GHCH in Nepal! You are changing lives for eternity.

These three children are brother and sisters. Their parents are very, very poor and they work on daily wages (which are extremely low), and sometimes cannot go to work, because their father worked for a rich man. He had been working there for 15 years when suddenly their father was thrown out by the rich man, because he asked for money, since the rich man had not given him proper wages for 15 years. Those 15 years with very little pay and hard work took a huge toll on him, so now his health is not good and he is unable to feed his family.

They have a mother, also. She cried in front of Hayagreev saying, "I'm not able to feed my family, and how can I feed my mother, and I cannot be able to buy my medicines, also, so, I hope I may die, and I don't know what will happen to my children, and I beg you take my children and whenever I have some time I will spend that time with my children." So she left her children with Hayagreev. Now she is not feeling well. She has some serious physical problems. She also drinks alcohol. That is how these children came to live at Good Shepherd's Home (GSH) with Hayagreev and the other orphans.

Before coming to GSH, these children went without food for many days at a time, because of their father's bad health, which made him unable to go to work. All the family was dependent on one man. Praise God the Lord saved these loving children.

## MINISTRY TEAM IN CAGAYAN DE ORO, PHILIP-

1/18/06 Philippines, Cagayan de Oro, Nerzam (Sam) Fabe

The Lord has been doing mighty things in Cagayan de Oro, despite the financial crisis he and his family are going through, according to Sam's exciting report. God enabled them to host 2 major concerts of STEVE KUBAN the singer and song writer of the songs 'The Lord is My Tower,' 'Welcome Holy Spirit,' 'I Lift Your Name on High', and many more. The 1<sup>st</sup> concert at Ozamiz City, November 27, 2005 was attended by +/- 6,000 people. At least 2,000 of them accepted Jesus that night. The presence of God was awesome! People just moved forward and accepted Jesus as their personal Lord and Savior. There were also backsliders who renewed their faith and commitment to the Lord. The 2nd was at Lanao Del Norte, a Muslim area, on Dec 4, 2005. The capacity of the gym is 10,000 people but we printed only 7,000 tickets, all the tickets were sold. To God be the Glory!!!!!! When Pastor Steve Kuban challenged the audience to accept our Lord Jesus Christ as their personal Lord and Savior, people just left their seats and went forward. People from the balcony came rushing down to the front. "You should have been here to witness it all," Sam told us. The mighty hand of God was moving in a tremendous way. People wept and just felt the presence and the Love of Jesus Christ. Even the military personnel who were guarding us accepted our Lord Jesus Christ. You will see it all in the pictures."

A 3rd concert was held Feb. 12, 2006. It was attended by 600 +/- people, including at least 50 pastors (an answer to much prayer for unity of the body of Christ). At least 90 people accepted Jesus that night.

"I thank God for provision. Through you our prayers were answered to pay for the balance of the sound system we rented during the Steve Kuban concerts. Please help us pray that God will continue to sustain the Fabe family and will provide the means for them to continue doing the Mission Smile trips.

*Focus on Turkey Choosing to follow Christ and be baptized in Turkey could easily cost you your life or severe beating, so this decision is not made lightly. Several pastors and other believers have been brutally beaten and/or killed for their faith in the last month there. Please keep them in your prayers.*

### Turkey, Bodrum 12/9/05 Pastor Engin and Nurcan

(They are in the center in the picture.)

Over 2 years ago, Engin and Nurcan answered the call of God to start a church in Bodrum, the former area of Biblical Ephesus, where there was NO church in the whole town. They are often in danger from the authorities and are taken to the police stations often for questioning. Many of you will remember that last year the police nailed the church door shut with a spike and a note serving them notice that they could no longer have church. By that time, after much prayer and work, they had developed a core of 12-20 believers. Isn't it amazing how those who serve Satan saw them as such a threat in a big city?

A few years ago they were made keenly aware of the awesome power of the media to let people know about Jesus, but there was no Turkish Christian television channel in Turkey. It is not allowed in Turkey. But that event put a dream in their hearts for a Turkish television program and they and their small congregation began praying for this. God has answered that prayer and the **first** Turkish Christian TV broadcast aired on Jan. 10, 2006 from a Greek island not far from Turkey. Please pray that the people who watch this channel will be encouraged and hear the Word of God. Also pray for Turkish people to get saved through this Christian channel. Pastor Engin says, "Thank you for your prayers and joining our happiness." for this ministry. We praise God! Nothing is impossible with Him!

Ptr. Engin is very creative in bringing the Good News to the Turkish people. We praise God for his boldness, always making the most of every opportunity. Please pray for those who get the Word of God. We have a promise that God's Word won't return empty, but will accomplish what God sent it to do. (Is.55:11)

### TURKEY, YESILTEPE

We praise God, Bodrum Int'l Grace Church has branched out and there is now a sister church of 12 Christian believers in Yesiltepe, Turkey. They actually meet together about 7 km. from Tarsus, where Paul was born. Behcet (pastor) shared this exciting story of how the Lord began to work in this village. "One of the villagers and I had a Bible correspondence course for almost five years. He was very interested in learning more about Jesus Christ and our belief in Him. After a long correspondence with him he decided to believe in Jesus Christ as his Lord and Savior. I was visiting him in the village from time to time and studying the Gospel with him. He was growing in his faith day by day. When I was visiting him I found some good opportunities to share the Good News with other villagers in the same village. By the grace of the Lord Jesus Christ in three years time, 8 of them accepted Jesus Christ as their Lord and the Savior! Praise the Lord! The Lord started a very good work among these villagers."

We believe God will allow us to help Behcet and Hatibe, as we've been helping Ptr. Engin as God enables us.

### Nepal, Arjun and Shobha

As most of you know, Arjun and Shobha have turned their own rental house into a loving home for orphaned Nepalese children. They currently have 7 they are caring for and raising as their own, teaching them daily the love of Jesus in action, teaching them the Word of God and giving them the special love of a mother and father and family. Their children's home is called Gentle Hearts Children's Home. Recently, God has blessed us with some faithful supporters of this wonderful ministry. We praise God for every person who has heard God speaking to help them have food, clothes and education for these precious children.

## Nepal, Dhan and Phebe

Dhan works faithfully in a local church body in Kathmandu, as well as planting new churches in all different areas of Nepal. He travels to places by foot for miles and miles over rugged terrain to reach people in very remote villages with the Gospel of Jesus. He recently returned to Nepal after a year of ministry training at Christ for the Nations Institute in Dallas, TX, where we had the opportunity to spend several hours with him and share a meal together.

He is now prepared to carry on the rest of the vision God has put on his and Phebe's hearts to care for and love orphan children, which are everywhere in Nepal, training them in the ways of the Lord, letting them see his love in action, as well as helping adults learn life skills to get them out of their poverty and forced servitude to abusive Muslim or Hindu masters.

## Nepal, Pokhara 12/5/05 Deepak and Jenny

Deepak and Jenny started a ministry in Pokhara called New Life Ministries February 14, 2005 and God has been moving mightily through them caring for the poor, for refugees running for their lives, the elderly, widows, and providing school for very poor children. They also have a dream to have a Children's Home for some of the many orphans left from the past war torn years. God is indeed raising up his people to work in His Harvest.

God is also using both Deepak and Jenny in a healing ministry which has been made evident in several recent events including praying for healing for a sister in the Lord diagnosed with cervical cancer that was spreading rapidly to other parts of her body. Deepak made the decision to obey God and believe completely in the Doctor of doctors, rather than believe in the diagnosis of the worldly doctor. In answer to that prayer after 4 days the lady was taken to the same hospital and examined by the same people and doctor, but they did not find any clue of cancer. God shows Himself mighty when we trust in Him. Deepak was greatly encouraged and is telling all around him the Good News of Jesus' love, even though they live in a

restricted country. God continues to miraculously protect them from bombings, faulty construction of the hospital where Jenny works, severe illness, etc. as they trust God completely and take Him at His Word. Satan has often tried to take their lives and get them distracted from God's work, but they continue to plant new churches, feed the hungry, share their clothes with those who have none, etc.

## Nepal, Pastor Sundar

In July, 2005, Sundar's heart began to compel him to reach the lost Muslims (99% ) in the small village of Sitapaila outside Kathmandu (capital city), where God had moved him to through circumstances.

In faith, he acted on that belief, and began visiting people in their homes, inviting them to his home for fellowship and prayer meeting. He also started praying and believing God for people to respond to God's love and Word and accept Jesus as their Savior. God honored his faith in action and in only a few weeks, 15-16 people were coming to hear Sundar share God's Word.

Now, only 7 months later, 20-25 people are attending regularly and most of those have gotten saved. Sundar works as a part-time teacher to support himself and ministry, however his small income does not cover all the costs of this growing ministry, which includes caring for the poor he encounters as well. Please

join with us in prayer that God will provide his monthly rent of a place to meet of \$60/month. He is also in need of 1 motorbike (\$1500) and 2 mountain bicycles (\$230) for transportation to reach the people, since some new converts are willing to help him reach the others.

Zaq works as an evangelist/ teacher with Africa Gospel Ministry On Time [AGMOT-Kenya]. This is a ministry he started with the help of two devoted brothers. He is also leading a child mercy program within this ministry, which is dedicated to help poor desperate children, not for riches, but to help them meet their basic needs- food, clothing and education. They have already taken 15 children, most of whom are orphans and single parent kids. Currently, they are looking for Christians who are willing to "adopt" them by helping them have their basic needs met. If any of you are interested in sponsoring 1 or more of these children, please let us know and we'll get that set up with AGMOT-Kenya.

Mike and I (Londa) and family are very excited that God has miraculously opened the door for Zaq to get a work visa to the USA. This will enable him to get a job once he arrives in the states and settles in our home. Then he can use the money to cover his needs and send the rest to AGMOT to sustain the ministry there. We expect him to arrive the end of April or beginning of May. Please pray with us that all continues to work smoothly and for Zaq's adjustment to our home and America.

## Missions Statement

We endeavor to provide charitable services to the public in the areas of funding for learning and language education, provide food for the hungry, shelter for the homeless, empower and assist the underprivileged, provide meaningful work for those in need, inspire and inform people of ways to improve and make a positive difference in their own lives and others around them. We believe it does little good just to talk about the injustices and poverty in our world unless we are willing to do something to make a positive difference in people's daily lives. We do all as unto our Lord and Savior, Jesus Christ.

At LIFE Aid Foundation, we endeavor to follow the guidelines found in Matthew 25:35, 36 & 40 (NIV) where Jesus said, "*For I was hungry and you gave me something to eat, I was thirsty and you gave me something to drink, I was a stranger and you invited me in, I needed clothes and you clothed me, I was sick and you looked after me, I was in prison and you came to visit me....The King will reply, 'I tell you the truth, whatever you did for one of the least of these brothers of mine, you did for me.'*"

Isaiah 58:6-9 (NIV)

"Is not this the kind of fasting I have chosen; to loose the chains of injustice and untie the cords of the yoke, to set the oppressed free and break every yoke? Is it not to share your food with the hungry and to provide the poor wanderer with shelter—when you see the naked, to clothe him, and not to turn away from your own flesh and blood? **Then your light will break forth like the dawn, and your healing will quickly appear; then your righteousness will go before you, and the glory of the Lord will be your rear guard. Then you will call, and the Lord will answer; you will cry for help, and he will say: Here am I.**"
