Muzaffarabad, Pakistan: Shalom, (15 yr. old son) and Sharon, (14 yr. old daughter) of an underground missionary couple of the At Anycost Jesus Mission were brutally murdered. Their dead bodies were burnt by the unidentified militants in one of the northern districts of Pakistan Sept. 1, 2006. Shalom and Sharon were kidnapped along with their missionary parents and two other younger sisters 10 days before the murder. Militants asked them to convert to Islam and work against Christians and Christianity. They refused. So militants tortured and killed Shalom first. Then they raped Sharon and cut one of her breasts in front of her parents. She also died.

The militants left their dead bodies in a ditch along with a motorbike, poured gasoline on them and burned them. The police gave a false statement declaring it was an accident and the gas tank of the bike broke open while they were falling into the ditch and was ignited by a spark.

Believers are under great persecution. They are forcibly controlled by the militant Hindus. They are not allowed to pray or even to speak a single word about Christ, Christianity, or Christians.

Habel, a brother in the ministry, came Sept. 3rd, in the night and got the charred bodies of Shalom and Sharon to bury them properly. The militants were alerted and Habel and his wife, Yemima, and their young daughter (age 4) and son (age 2) were surrounded by the militants.

By God's grace, they were able to escape, having been warned a little before the militants found their home. They had to flee with only the clothes on their backs. Habel and Yamima each grabbed a child and ran. It was early morning and the darkness had not fully disappeared. While running, Habel's leg was hit by a piece of wood and he fell down with his daughter in his arms. He was unable to stand and thought his leg was broken. From there he called Pastor Paul in India with his cell phone and gave him this information. Through the cell phone, Ptr. Paul heard Habel shouting to his wife to carry both children and escape. I know he did not disconnect the phone, but the connection was broken.

For 24 days Ptr. Paul had no contact with them. Then this praise report was received from Habel. "I know your prayers are with me and my family. We feel the mighty protection of our Lord. I don't know how far we ran. I was carrying my daughter in my left hand and holding my wife with my right hand. On the way, something like a pipe or wooden material hit my leg and I fell down." It was not easy to see so Habel thought the militants had caught him and his family and started murdering them. He cried out for Jesus' protection. After regaining consciousness, Habel opened

his eyes and found he and his family were all in a jungle house among the uncivilized people of the forest. He was afraid to see them. The head of those people told him not to be afraid. They took care of them, treating them, for all of them had sustained severe injuries. These people loved them. They clothed them with the skins of some wild animals. They ate what they ate. (They put the meat of wild animals in the burning fire for 10 to 15 minutes, then ate it.) At first it was disturbed them, but slowly they loved to eat with them. These people had never heard about Jesus, so Habel and his wife taught them about Jesus. The head of the clan accepted Jesus and the whole clan followed.

We praise God for turning an awful situation into a time of rejoicing. Please keep praying for Habel and his family and the others in this ministry who are running for their lives even now.

At Anycost Jesus Mission is an Underground Evangelization Ministry. It is a sister mission of the Salem Voice Ministries which Ptr. Paul directs. Their ministry is to win Muslim souls to Jesus at any cost. Over 70 missionaries are involved in this ministry throughout various nations. They don't ask anybody for financial help, but prayers only. They have a deep commitment to our Lord's Commission. They are ready to die for the glory of our Lord, for they expect an eternal life and an everlasting Kingdom. Although they don't ask for support, donations are extremely helpful in spreading the Gospel. They can be sent through LAF.

What will you give to Jesus today?

(Note from Londa Furman, Editor and Co-founder with God)

Matthew 25:35, 36 & 40 (NIV) says *“For I was hungry and you gave me something to eat, I was thirsty and you gave me something to drink, I was a stranger and you invited me in, I needed clothes and you clothed me, I was sick and you looked after me, I was in prison and you came to visit me....The King will reply, ‘ I tell you the truth, whatever you did for one of the least of these brothers of mine, you did for me.’”*

One of the Greatest joys Mike and I have is when we get the opportunity to help someone else in the Name of Jesus. Knowing we are actually helping indigenous missionaries all over the world to spread God's love and His Word, brings unspeakable joy. We've found we can do that in two ways and both of them are equally giving a gift to Jesus.

1. To remember them in our prayers on a regular basis which they appreciate more than words can express.
2. To give monetary gifts that will make their ministry possible.
 - A. By providing Bibles in their native language.
 - B. By providing food for them and their family and the poor in their areas.
 - C. By making it possible for them to take in orphans and care for them.
 - D. By providing emergency shelter during disasters
 - E. By providing funds to help start a small business since Christians in many countries are not able to get jobs.
 - F. By providing schooling, thereby giving children and adults a way to success.
 - G. By providing clothes for those in need.
 - H. By providing loving care through Child Sponsorship.
 - I. By providing shelters for displaced Christians and refugees (potential Christians.)

Missions Statement

We endeavor to provide charitable services to the public in the areas of funding for learning and language education, provide food for the hungry, shelter for the homeless, empower and assist the underprivileged, provide meaningful work for those in need, inspire and inform people of ways to improve and make a positive difference in their own lives and others around them. We believe it does little good just to talk about the injustices and poverty in our world unless we are willing to do something to make a positive difference in people's daily lives. We do all as unto our Lord and Savior, Jesus Christ.

At LIFE Aid Foundation, we endeavor to follow the guidelines found in **Matthew 25:35, 36 & 40 (NIV)** where Jesus said, *“For I was hungry and you gave me something to eat, I was thirsty and you gave me something to drink, I was a stranger and you invited me in, I needed clothes and you clothed me, I was sick and you looked after me, I was in prison and you came to visit me....The King will reply, ‘I tell you the truth, whatever you did for one of the least of these brothers of mine, you did for me.’”*

Isaiah 58:6-9 (NIV)

“Is not this the kind of fasting I have chosen; to loose the chains of injustice and untie the cords of the yoke, to set the oppressed free and break every yoke? Is it not to share your food with the hungry and to provide the poor wanderer with shelter—when you see the naked, to clothe him, and not to turn away from your own flesh and blood? **Then your light will break forth like the dawn, and your healing will quickly appear; then your righteousness will go before you, and the glory of the Lord will be your rear guard. Then you will call, and the Lord will answer; you will cry for help, and he will say: Here am I.”**
