My Dear Brothers and Sisters in Christ, Bro. Mike and Mama Londa,

Please see the bellow news letter for the Child care day School we had as from 2nd May 2011 through November 30th 2012.

NEWS LETTER AND PRAYERFUL REQUEST FOR H.O.P.E

HELPING OUR PEOPLE EXCEL (H.O.P.E) CHRISTIAN ACADEMY.

All in all, God has been doing an amazing work at Fundamental Baptist Church and it has been wonderful to see all of this happen. Along with all the great things going on at Fundmenatl Baptist do , we have a Christian School named “ HELPING OUR PEOPLE EXCEL CHRISTIAN ACADEMY. God has been doing a lot of work in our hearts.

We see and touch poverty every day, and it has impacted H.O.P.E to exist as from 2nd, May, 2011 till November, 30th, 2012. We closed the school temporary due to lack of constructions. It can be such an overwhelming thing at times, but the people here at Fundamental Baptist have deeply touched our hearts. Words are hard to express and comes out more clearly in the greening of our souls at the injustice of poverty. Isaiah 58: 10 says....

We will greatly blessed to have you as friends and family of God. Your prayers will make it possible for the Fundamental Baptist and its projects to be here. With you we are the body of Christ and with God’s Hope and we thank you for choosing to serve together with us here at Fundamental Baptist.

CAN YOU IMAGINE YOUR CHILD WITHOUT A HOME?

This is the reality for many of our Children here in Kenya. One moment they were happy, the next, everything was taken away from them....the love of a parent, their basic necessities, the security of a home...

Then the streets became their home. And they must have wondered just how much worse life could get. Until they found a home with the Helping Our People Excel Christian Child Care Center family through the supervision of the Fundamental Baptist family where every day, dedicated members of staff gives their lives to serve these wonderful Kids.

Now they can dream again, they have a new reason to live. And they can make a difference in their own communities by bringing hope to others!!

WE ASK YOU TO JOIN WITH US..... FOR WHAT OUR GOD IS DOING HERE AT FUNDAMENTAL BAPTIST.

These are many ways in which you and I or your Church/Organization can participate with Helping Our People Excel Christian Child Care Center to positively impact the lives Kenya Children.

Please join with us through:

- Child Sponsorship
- Construct a Home for Orphans
- Construct classes for these Children where they get education
- Any kind of donation
- Volunteer services
- Project funding
- Educational funding
- Pens/pencils and colors
- General funding

To sponsor a one Child it takes a minimum amount of \$ 50 US Dollars per Month that makes total of \$ 600 US Dollars annually. This money goes towards food, clothes, education, and medical care for the Child.

You can also choose to sponsor one Child or any project at Fundamental Baptist on Monthly / quarterly / or annual basis with a donation amount of your choice. We at Fundamental Baptist encourage you my dear friend to make a financial commitment to support one of our projects at Fundamental Baptist today.

More details can be provided on the specific projects planned for the year to enhance the care provided to our Orphans and to reach out to many more needy ones.

SHARING THE LOVE OF JESUS CHRIST.

It's not easy to provide nutritious food, clean water, clothing, medicines, medical and dental care, education, and Christian hope to so many Children. As the cost of gasoline and food has gone up. For example, prices of items/ materials/ and some food staples have increased 34 % just in the past years.

But God has called both you and us to this work, and we know He will continue to support us by calling forth Christians to pray and give to help us care African Children.

Please prayerfully consider whether God might want you to make a gift right now....So together we can care for even more needy Africa Children.

Please be generous as possible. Thank you, and God bless you.

ON MY HEART

When Jesus had risen from the dead, He asked peter three times if he loved Him. Each time Peter said he did indeed love Jesus. And each time Peter was given the same basic instructions: " FEED MY LAMBS " "Take care of my sheep. " " FEED MY SHEEP. " { JOHN 21; 15-17 }.

The message seems too simple. We have but two things to do. First we must love Jesus. Then we must feed His sheep!!!!

Love Jesus, feed His sheep!!!! This is what it means to obey. And if we will do that, then perhaps we will success as well.

That is how together we can respond to the needs of Children in Africa.

I invite you to pray for the Children of Africa, and to pray for helping Our People Excel Christian Academy who gives so much to love and care for these Children. And, as you pray, consider also whether God

might be calling you to join us in very practical ways as we seek to serve more African Children who need to experience the love and compassion of Jesus.

MAKING A DIFFERENCE AT H.O.P.E
