And He that searcheth the hearts knoweth what is the mind of the Spirit, because he maketh intercession for the saints according to the will of God.

Romans 8:27

Street Evangelism

- Every Soul is important to His Kingdom. We visited a village called Madapur, with Evangelism. And we had great joy in reaching people, door to door...the journey was not easy but with Him everything is possible. We got opposition, when the men found their women hearing the good news they said no to us, but we could able to help them with their unbelief and most of them agreed to pray with us, Amen.

Night Meet Followed

- After we covered the entire village, we rested for two hours and then gathered for the open air meet. Unfortunately the power was off and the people sat in the darkness. But I am glad we could be able to manage the meeting with one torch light and megaphone. I know the Gospel was received by many and let us hope for the best Harvest.

Craft Designing

- Indian market has lot of demand on the Craft Designing. And we love to introduce this new course to the sewing school, where the women can learn and make real good money with this skill. But this is very costly effort and the duration will be 6 months.

Night Meet: We had great meet at Kakinada on 22nd Feb, the place was crowded and people filled with joy to receive the Good News.

Needs

For this VAN we need more \$3000 to purchase. Women can get a free ride to their locations & also we can carry the LCD projector & screen to different locations to play Jesus movie.

For this piece of property we need \$7000 to purchase. We can built the Church in future when the funds are available.

Our Special Thanks

I have great people in my life, who always think of me and my work...so I thank Jesus as He placed His ladder between different continent, to pray for each other, love each other and encourage each other. I am blessed to be your friend and co-partner in the Heavenly Business.
