The fining pot is for silver, and the furnace for gold; but the LORD trieth the hearts...Proverbs 17:3

Church Dedication

We dedicated a new church in a village called Dontamuru. One of our pastor ministering in this location for the last 2 years and God opened up a way to build a church. Please visit the link to see what kind of church it is, nothing but a poor mans hut . After the meet we evangelized the whole village . By night we had a meet on the street, the Hindu temple played the music and songs in high volume by which people cannot hear the WORD. But God worked out for us and I am able to deliver the best message, praise Jesus.
