YOUR REF: _____ OUR REF: NRK/UP.4/2022 DATE: 31ST DECEMBER 2022

Dear Saints, Friends, well-wishers, and Partners,

People For Jesus Ministry (PFJM) is delighted to send to all of you end year greetings in the name of the Lord Jesus Christ. It is incredible how the year moves faster than we expect it to move. We have come to the end of yet another challenging year but God has been so gracious to us. Our hearts are full of joy as the Lord has strengthened us to do His work in the year 2022. We have experienced His outrageous hand of provision against the backdrop of economic upheavals and surely our Lord Jesus Christ is More Than Enough. **It is with great joy that we also send greetings to our valuable partners in the work of the Gospel of Christ as we proclaim the message of God's Kingdom.** Your prayers, support and personal involvement in the work that we do is surely valuable to us. It enables us to be involved in the transformation of many lives that God gives us opportunity to serve. Our ministry continues to be involved in local, regional and international (global) gospel endeavours in poor and needy communities. Ministering to poor orphans, people living with disabilities, widows, pupils, prisoners, vulnerable aged/senior citizens, students, and people at risk continue to be our community service priority as we make the valid gospel relevant to different communities. The support and involvement of our partners in the gospel endeavours of our ministry is therefore very important. The Church keeps all our partners in our earnest prayers for success and prosperity. Many amazing works of God, some of which are miraculous have taken place during the year 2022. We have written a summary and non-exhaustive report of some of those things that God has done so that we celebrate together while we keep on praying together for the holistic transformation being experienced in our different fields of service.

OCTOBER 2022

PEOPLE FOR JESUS MINISTRY MOVES TO A NEW VENUE ON 2ND OCTOBER 2022

Blessed be the name of the Lord Jesus Christ Who is worthy to be praised. PFJM Narok Town Church finally moved into their new premises in Motonyi mountainous area of Narok town on 2nd October 2022. It was surely an auspicious occasion of great celebration and profound appreciation expressed in exuberant praise of thanksgiving songs and dance by the Church members and the whole Narok community comprising mainly the Maasai people. It was a culmination of three years of earnest prayers and resource mobilization to get to build a sanctuary. About ten years have elapsed since the project to purchase land and build the sanctuary was initiated. Pastor Tom Opiyo, PFJM Overseer, had the special privilege to officially preside over the solemn dedication of the sanctuary to God. He was assisted by Bishop George Kennedy Orocko, presiding bishop of Mamlaka Ministries Nairobi. We truly thank all our partners and friends for enabling us reach thus far. We still need to build the permanent sanctuary and other facilities such as Bible school, academic pre-primary, primary and secondary school among other facilities. The sanctuary is called, THE MOUNTAIN OF GLORY'. ALL GLORY AND HONOUR IS ASCRIBED SOLELY TO THE LORD JESUS CHRIST who enabled us to build a house for His Name and for His worship.

ADULT/LITERACY EDUCATION:

85% OF THE CLASS ARE WOMEN AND GIRLS. THE PROBLEM OF EARLY MARRIAGES AMONG THE MAASAI GIRLS NECESSITATES THAT THEY DROP OUT OF SCHOOL OR NEVER MAKE IT TO SCHOOL SO THAT THEY GET MARRIED AND EARN THEIR FAMILY A WEALTH OF MANY COWS PAID

AS DOWRY. THE CHURCH IS ADDRESSING THAT EDUCATION GAP BY CONDUCTING CLASSES FOR THOSE WHO HAVE EITHER DROPPED OUT OF SCHOOL OR THOSE WHO NEVER MADE IT TO ANY SCHOOL. THANKS TO THOSE WHO HAVE BEEN ABLE TO SUPPORT US. PLEASE JOIN US IN THIS ENDEAVOUR AT USD\$70 PER MONTH PER CLASS. THE MAASAI COMMUNITY ARE BASICALLY PASTORALISTS AND THEY HAVE TO LOOK FOR PASTURE AND WATER FOR THEIR LIVESTOCK. THE CLASSES WILL RESUME AS SOON AS WE HAVE THE FUNDS. WE HAVE INTERGRATED CLASSES WITH INCOME GENERATING ACTIVITY TO ENABLE ADULTS EARN A LIVING AS THEY LEARN. WE CALL IT '**FEED BOTH THE MIND AND THE BODY**'.

KANDARIA SECONDARY SCHOOL UPDATES

Kandaria secondary school candidates took their national exams in December, 2022 because of education calendar adjustments brought about by COVID-19 interruptions. The **school laboratory** under construction is almost complete. The government does not allow any construction at the school during national examinations. A proper kitchen and a dining hall, future dormitory and administration block are still needed at the school. **Thanks to our donors for giving support for the construction of part of the kitchen and dining hall. That work would have commenced in December 2022 but there was national examination in December 2022.** The project will commence soon. We are still hoping to get more funds for the kitchen and dining hall project.

Kandaria villagers were left impoverished by floods and the old Kandaria secondary school is still hosting many of those poor villagers. They cannot afford to build a house after the devastating floods ravaged everything they had. The old Kandaria primary school is also hosting some of the flood victims who are still trying to come to terms with how to begin a new life after the floods. People need help to construct houses for resettlement and to till their land. We are trying to help some of the villagers build houses and resettle. **Teachers or any volunteers are welcome to the school. PLEASE LET US KNOW HOW YOU WOULD LIKE TO PARTICIPATE IN CHANGING LIVES IN KANDARIA VILLAGE.**

**THANKS TO ALL WHO CONTINUE TO MAKE KANDARIA
SECONDARY SCHOOL AND KANDARIA VILLAGE A BETTER
PLACE BY ALL MEANS.**

KANDARIA VILLAGE VOLUNTEER COMMUNITY HEALTH FACILITY

KANDARIA VILLAGE VOLUNTEER COMMUNITY HEALTH WORKERS WOMEN MATERNITY FACILITY IN KANDARIA VILLAGE IS ALMOST COMPLETE. THE FLOODS HAVE SINCE LEFT IT BUT THE SURROUNDING AREA STILL HAS FLOOD WATERS. THE MATERNITY FACILITY IS DRY NOW AND JUST NEEDS TO BE COMPLETED WITH FINISHING TOUCHES SUCH AS PAINTING AND MINOR REPAIRS IN PARTS DAMAGED BY FLOOD WATERS. THE COMMUNITY HEALTH WORKERS CONTINUE TO OFFER SERVICES IN THE VILLAGE ESPECIALLY TO MALARIA PATIENTS WHO HAVE INCREASED DUE TO STILL WATERS CAUSED BY FLOODS THAT ARE GOOD BREEDING GROUNDS FOR MALARIA CAUSING MOSQUITOES. WE NEED THIS FACILITY COMPLETED SO THAT VOLUNTEER DOCTORS, NURSES, PARAMEDICS, ETC., COULD SETTLE AT THE FACILITY.

KANDARIA VILLAGE FLOODSITUATION

KANDARIA VILLAGE FLOOD VICTIMS STILL MAINLY LIVE INSIDE KANDARIA PRIMARY AND KANDARIA SECONDARY SCHOOL COMPOUNDS EVEN AFTER FLOODS SUBSIDED BECAUSE THEY DO NOT HAVE PROPER LIVELIHOODS. THEY CAN BE HELPED BY;

- 1. ECONOMIC SUPPORT AND LIVELIHOOD EMANCIPATION PROJECTS AND AID**
- 2. CONSTRUCTION OF RESIDENTIAL HOUSES FOR THE PEOPLE AT A COST OF \$700 PER PERSON**
- 3. SUPPORT TO BE GIVEN FOR SECONDARY SCHOOL, COLLEGE AND UNIVERSITY STUDENTS FROM THAT VILLAGE.**

CURRENT MATTERS FOR ATTENTION.

Kandaria village houses collapsed due to floods since they are made of mud houses and people are looking for help to rebuild their homes. Farming can be done but the people do not have capital to work on their farms. The Church **housing project for the villagers is doing what they can to help people who are not able to build their houses to do so with the little funds we received.** We need lots of support in the housing project which costs about £500 (\$700) per house. Many people in Northern parts of Kenya including parts of Narok are under drought conditions (about 3.0 million people). Wildlife and millions of livestock have died. Many children cannot afford to go to school. Please pray for Kenya and continue to pray for Ukraine.

THANK YOU VERY MUCH FOR YOUR GENEROUS SUPPORT.

ORPHANS/VULNERABLE CHILDREN AND STUDENTS SUPPORT AND SPONSORSHIP:

The Church launched a serious '**school drop outs back to school**' campaign programme in February 2014 as part of the Church sponsorship programme. The programme is targets pupils/students who dropped out of school for various reasons especially among the Maasai communities in Narok County. Girls and boys mostly drop out of school due to early marriage. Boys dropped out of school due to ignorance among parents who force the boy child to take care of livestock or to engage in labour for earning income. We have thus far managed to support some pupils/students beneficiaries in the programme. Thanks to those who responded to our plea to help school drop outs plus those who have not been able to make it to school to go to school. We have not yet reached our target and many more children who need to go to school are increasing. **YOU CAN GIVE AS LITTLE AS £15 PER MONTH OR £180 PER YEAR, US\$25 PER MONTH OR US\$300 PER YEAR TO ENABLE A STUDENT GO BACK TO GOVERNMENT DAY SECONDARY SCHOOL.** About half of the fund is used for the purchase of school uniforms. You can also help a child go back to primary school by giving US\$100 per year. **THE CHILDREN/STUDENTS BEING SPONSORED ARE FINE AND DOING THEIR VERY BEST IN SCHOOL. WE THANK YOU FOR HELPING THE ORPHANS AND VULNERABLE CHILDREN/STUDENTS.**

WIDOWS AND THE POOR PEOPLE'S PROJECTS NEED YOUR SUPPORT

PFJM has established a self-help project called "[Cluster Dynamics](#)" which are designed to pull together groups of 5, 10 or 15 people from within a community group who are mutually in great need. The groups are tasked with developing a micro-project which will generate income for the group in order that they can support themselves and their families. The groups mainly made up of destitute women, are poor for a number of reasons but mainly due to the tragedy of HIV/AIDS which affects each family in one way or another. Some suffer from the disease themselves, others as a result of losing their husband by HIV/AIDS. The result is that the remaining partner (usually wife and mother) is left to support a number of children. PFJM can help these groups get established by providing **one time initial set up grant of £500, 1000 and 1500** respectively, allowing them to get going with their project and bring in the much needed income that will grow the project and support the group and their dependants. PFJM will closely monitor the projects to ensure that they are profitable to the groups. You can invest in this worthy course that can profitably change lives of the poor widows and others for a life time. **Currently, we have the groups of 5, 10 and 15 ready**

to progress with any support that comes to them. PLEASE HELP THESE POOR PEOPLE TRANSFORM THEIR LIVES BY YOUR ONE TIME SUPPORT.

PFJM KENYA BRANCH UPDATES

The PFJM Church branch of Loita is still preparing to acquire a piece of land. PFJM Ruga Kisii and her two branches namely Rodi and Oyugis are doing well. The two branches in Eldoret area (Eldoret Junction and Eldoret Huruma branch churches) are progressing well. We had an amazing Annual National Church leaders' conference at PFJM Narok Town Church in November 2022. All the other branches are keeping the gospel fervour alive despite difficulties.

TANZANIA UPDATES

The People For Jesus Ministry (PFJM) main Tanzania Church at Dar Es Salam headquarters under the leadership of Pastor Samuel Mbanga and the wife Regina are doing good ministry. The Mikumi outreach of agri-business work is picking up well and will soon give the ministry good profits. Our Church Bible School at Dar Es Salaam province is going on with students in the certificate level only this year and they will be graduating in August 2023. We offer certificate in Christian ministry and Advance certificate in Christian Ministry. **Our E-Vitabu app plus the android continue to be a wonderful library and an effective tool for pastoral training.** We have three nursery schools and one special secondary school to assist the poor students with special needs. The Churches in Morogoro Tanzania will be visited by our Missions/Outreach team in August 2023 so that we encourage them in the Lord. Please let us continue to make earnest prayers for the Tanzania Church.

UGANDA AND PAKISTAN CHURCH UPDATES

Pastor Ronald Ndege, our senior pastor in Uganda is doing a great work in Uganda in three locations of Jinja, our main Church, Iganga and Mayuge/Kamuli. The PFJM Kenya Missions/Outreach team plans to visit them soon. The orphanage and primary school at Iganga are doing well. The Church in **Pakistan** is also making good progress and growing amidst great opposition and persecution. Pastor **Zeerick Azam** is standing firm in the faith as he leads the Church. We just need to keep on praying for the churches in Uganda and Pakistan.

BIGOMI

CHURCH PEOPLE LIVING WITH DISABILITIES AND POOR SENIOR CITIZENS SUPPORT PROGRAMME

PFJM Nyang'ande where BIGOMI centre is running its activities for children with disability and the poor elderly or senior citizens within Kisumu County is progressing with work. The Kenya Power and Lighting Company is yet to do electricity connection at the centre but they have done some preliminary work of establishing where power lines will pass through. Plans are still underway to drill a water well, and to acquire small scale irrigation equipment. Once we are connected to electricity, water well will be drilled in two weeks' time and all the water supply system will be set up. The BIGOMI Centre and the community in the vicinity would benefit from clean drinking water. We currently have over 80 disabled

children and over 40 poor senior citizens in the project. The piece of land we have acquired will be used to begin the construction of three buildings of which one will be an office and two of them will be the place to host BIGOMI activities. We also want to construct a temporary Church sanctuary that will be used as a worship facility in the compound. **Thanks to all partners for your continued support to the vulnerable people living with disabilities and the poor aged/senior citizens.**
